Entrepreneurship Technologies Exchange Program

We are happy to announce that the SUAI Institute of Entrepreneurship Technologies is launching a new exchange program for the bachelor degree students of SUAI partner universities.

During your studies in SUAI you will receive a strong knowledge base and practical skills under the guidance of our highly qualified teachers, get to know the culture of our country and receive a memorable experience of being an exchange student in one of the most beautiful cities in Russia and in the World.

The duration of the Program is 1 semester.

The estimated dates of the beginning and the end of the Program are 08/02/2021-27/06/2021.

All the courses are conducted in English.

The Program includes lectures, seminars, individual and group work on the project, presentation of the project results.

The Program consists of the following courses

№	Course Name	ECTS
1	World Economy and International Economic Relations	5
2	Risk Management	5
3	Strategic Business Management	5
4	Doing Business in Russia	5
5	Information Technologies in Business	5
6	Technological Entrepreneurship (Marketing)	5
	Total	30

To take part in the Program students must provide:

- application form
- scanned copy of the passport
- document proving English language proficiency (not less than Intermediate)
- transcript of records
- short CV
- motivation letter

All the application documents must be sent via e-mail until 30th of October, 2020.

Upon the successful completion of the program students receive a certificate.

The participation is free of charge for the students of SUAI partner universities. Travel costs, visa, accommodation, health insurance and other expenses are at the expense of students. Due to the limited number of places, we cannot guarantee accommodation in the University hostel, and if needed SUAI may assist students in finding suitable accommodation.

The studies will be conducted in SUAI Campus on Lensoveta 14A, St. Petersburg, Russia.
