

Notification

Students in the status of completion of study,

The **new DED** system has been put in use. With the new DED, you can **select retaking courses and check your timetable**, more function will be added. Although all the pages are in Chinese, it is more user-friendly, concise and clear, plus it can be visited on your phone. Please be notified that the password and user name for new DED system is **the same** with the previous one.

Please check the Attachment 1 for guide to apply a retaking course and Attachment 2 to check your timetable.
